

A Tree Is Nice Worksheet

Cut out the cards below
and put them where they
belong on the tree.

Woody part of a tree that grows out of the trunk	Part of tree that can be raked	This brings water from the roots to the leaves
This part of the tree you can climb	Hang a swing from this part of the tree	Sticks fall off this part of the tree
This holds the tree in the ground	Put this part in a deep hole to plant	This holds the tree up straight
This makes food for the tree	This part whispers in the wind	Takes or absorbs water from soil
